

29 JUL 1976

MEMORANDUM FOR: DD/A Plans Staff

SUBJECT: Fighting Inflation and Reducing Daily Operating Costs

REFERENCE: DDA memo dtd 3 June 76 to DD's and Heads of Independent Offices; same subject

The Office of the Comptroller has no quantifiable tangible savings to report for the period ending 30 June 1976. We are, however, evaluating our use of the WANG minicomputer to see if the benefits justify the expenditure. If the decision is made to remove the WANG, it will result in a quantifiable savings of approximately \$20,000 for FY 1977.

STATINTL

James H. Taylor  
Comptroller
